

## Convenience Center (Recycling)

**\*Please note: All Solid Waste Facilities now open at 7:00 am and close at 4:00 pm.**

[Check out the new Holiday Recycling Reminders from Henderson County!](#) [1]

---

*\*IMPORTANT: Henderson County Solid Waste operates a regional Transfer Station under a permit issued by NC DEQ. The Henderson County Convenience Center is setup just for Citizens of Henderson County.*

**No commercial or business vehicles.** The Convenience Center is for **residential use only, not for commercial or business use.**

**All solid waste and recyclables being transported shall be encased by a tarpaulin, camper cover, metal cover, rigid cover, plastic or suitable material secured to prevent leakage or blowing of materials from the vehicle.** This includes adequate coverage for bagged garbage. Please bag all solid waste. Loose waste results in more litter both on site and the surrounding areas. You will not be admitted into the Convenience Center if your solid waste and recycling is not secure.

---

**The Convenience Center *ACCEPTS* the following items for recycling:**

## Convenience Center (Recycling)

Published on Henderson County North Carolina (<https://www.hendersoncountync.gov>)

---

- **Aluminum and steel cans** (rinsed, dry, plastic tops/lids off)
